TEMPLE UNIVERSITY HOSPITAL PHILADELPHIA, PA 19140

Temple University Hospital (TUH) is a Level I Trauma Center renowned for life-saving heart and lung transplantation. This 600-bed hospital offers comprehensive inpatient and outpatient services to the surrounding community, and highly specialized tertiary services to the entire region. It is one of the nation's premier academic medical centers and the flagship hospital of Temple University Health System (TUHS) as well the chief clinical training site for the Temple University School of Medicine. It has one of the busiest emergency departments in the region with expert medical staff and sophisticated equipment providing an environment for the highest quality patient care, training and research. We have a nursing staff of over 1,000.

We have made a commitment to making patient-centered care as important as providing the most advanced treatment. Our team and dynamic setting combine to offer those who share our focus an exceptional career path.
