

Executive Director - Perioperative Services

Come join Pocono Medical Center, recently named a 2010 Distinguished Hospital of Clinical Excellence™ ranked within the top 5% in the nation by HealthGrades®. We have an opportunity for a dynamic Executive Director to oversee and handle the development, implementation and oversight of clinical protocols and processes designed to achieve outstanding clinical outcomes while accomplishing strategic growth goals in the primary and secondary service areas.

You'll devise annual objectives for the Surgical Service Line that are consistent with PMC's strategic plan, mission and values as well as develop metrics to measure success and action plans to improve performance. You'll also develop marketing plans, pricing strategies, etc.

Requirements include:

- * 5 yrs experience managing a perioperative program and/or surgical service line
- * Track record of achieving positive results in business/operations management, new program development and implementation, physician collaboration and financial performance
- * Demonstrated ability to grow product lines in terms of volume and increased profitability
- * Experience in creating or enhancing a community image of a clinical program
- * Commitment to customer service excellence
- * Excellent physician relations' skills
- * Strong leadership and interpersonal skills
- * Ability to identify problems and implement solutions in a timely manner
- * Bachelor's degree in a health or business related field
- * Master's preferred

We are proud to offer a competitive compensation and benefit package.

Equal Opportunity Employer

Located between New York City and Philadelphia in the scenic Pocono Mountains in northeastern PA, Pocono Medical Center, a 247 bed acute care not-for-profit hospital, is a growing organization with over 200 physicians and a staff of over 1800.

Pocono Medical Center is the major provider of quality healthcare to residents of Monroe County and neighboring counties in northeastern PA and New Jersey with over 90,000 annual emergency room visits, a fully accredited Level III Trauma Center, accredited Chest Pain Center, state of the art Heart and Vascular Institute, and comprehensive cancer center.

Pocono Medical Center was named by 2010 HealthGrades among the top 5% in the nation for Overall Clinical Excellence and Distinguished Hospital Award for Clinical Excellence (DHCE). We've also received numerous other awards from 2010 HealthGrades including: Cardiac Surgery Excellence Award, Stroke Care Excellence Award, Gastrointestinal Excellence Award, Prostatectomy Excellence Award and Critical Care Excellence Award.
